## Overview

---

Easy to handle, compact yet spacious and cozy fast cruiser offering the full, fun package ready to go.

Built in GRP by Italian yard Maori with naval architecture, exterior design and interior styling by Nauta Design, M/Y MATARIKI was delivered in 2014 with a dual purpose as a very large and luxurious tender or a pocket superyacht. In mint condition, she offers wide open spaces, luxury, comfort and excellent performances.

The superb M/Y MATARIKI underwent a total refit in 2018 and 2019 consisting of a new configuration of the fore and aft deck, with also a new arrangement of the exterior and interior living areas.

Thanks to the propulsion of two 1800 hp MAN engines joined with a Jolly Drive surface propellers system, Maori 78' reaches a top speed of 43kn. For maximum comfort, she is stabilized with 2 gyroscopic seakeepers M9 so you won't get seasick and the boat will not roll from left to right anymore.

MATARIKI's interior configuration has been designed to comfortably accommodate up to five guests in three cabins consisting of a full-beam master suite, a twin cabin and a single cabin, with en-suite shower facilities. A further en-suite cabin accommodates three crew members.

If you love an easy to handle speed boat with lots of space, gadgets and carbon fibre, this is the right yacht for you.
