## Overview

---

Sundene (ex Idyll) is an 80 foot motoryacht built by Offshore Yachts in 2002 with her luxurious exterior design being the work of William Crealock. She is one of 5 Offshore Voyager 80 yachts built by the shipyard. She boasts a maximum range of 2100 Nm. The first thing you notice when you walk on board is how much external space there is for entertaining. There is a large dining table on the aft deck that can cater comfortably for up to 10 guests. A huge upper deck also has ample space for lounging and sunbathing when the tender and jet ski are in the water when at anchor. As you enter the yacht you are blown away by a sense of space and opulence. The galley is located midships with a full-beam dining and lounging area forward with stunning views from the large windows that light up this area of the boat. Down below one finds three generously-sized double cabins all designed with comfort in mind. Complimented by such large external spaces, Sundene really is the perfect all-round long-cruising yacht, ideal for day charters or private trips further afield.

Yacht SUNDENE has New Toys in 2014: Seadoo Jetski and 2 x Kayaks. Other Tenders & Toys include a Yamaha Four Stroke 60hp with VHF and navigation lights.
