Overview

Last Call! This is a rare opportunity to purchase a solid, strong and extremely comfortable sailing vessel to take you across oceans or just to the next tranquil anchorage. It's up to you! Vince Lazzare (formally with Columbia Yachts) began designing this series of the Gulfstar 41 in 1973 in the U.S.A. She is easy to handle underway and has plenty of ventilation for those quiet nights at anchor. The center cockpit provides comfort and security. Already located in Grenada - a tropical paradise and under the hurricane zone for insurance purposes
