SPECIFICATIONS

Overview

Get ready to experience the ultimate boating adventure with the Jeanneau Leader 12.5 WA! Say goodbye to waiting and hello to owning a boat that fulfills all your boating dreams! This stunning vessel is not only a center-console, but also an express cruiser, a fishing boat, and a cruising boat all in one. With very little compromise, the Michael Peters hull coupled with 900 Yamaha horsepower delivers sporty performance that will leave you breathless. But that's not all! Check out these amazing features that will make your boating experience unforgettable:

ENTERTAINMENT ISLAND: Get ready to host the ultimate party with a full cockpit galley that includes a working countertop with an electric grill, two sinks, a 13-gallon fridge, and loads of storage for kitchenware. And if that's not enough, there are options for a second fridge or an icemaker!

INNOVATIVE INFUSION HULL: The stringers and hull are molded into one piece providing more fiberglass and less resin, making this boat not only sturdy but also efficient. The deep-V hull design has a sharp entry, two lifting strakes, and a spray-reducing chine that extends the full length of the hull, providing predictable handling and exceptional comfort across a wide range of conditions.

ERGONOMIC HELM STATION: Take command of the water with a raised helm station that offers clear 360-degree views behind a protective windscreen, and three high-back helm chairs with leaning post capabilities. The large dash can accommodate a pair of 16" Garmin chartplotters, and offers a centerline wheel with power hydraulic steering, with precise control at all speeds, and standard Joystick HelmMaster.

VERSATILE COCKPIT: Relax and enjoy the beautiful views with a roomy L-shaped lounge with an aft seatback that folds aft to form a comfortable sun pad, and with a GRP table with removable legs.

THREE PERSON LOUNGERS: Enjoy the ride with raised triple chaise lounge seating facing forward with additional bench seating in the bow. With options like a moveable table and filler cushion, you can even turn the forward cockpit into a private sun pad!

CABIN WITH CONVERTIBLE KING SIZE: Rest easy in a midships owner's cabin that has a filler cushion to create a full-sized king bed. Overnights are made possible with a standard Panda diesel generator and air conditioning.

GALLEY AND CONVERTIBLE SALON: Enjoy delicious meals with a fully equipped galley that includes a ceramic cooktop, fridge, optional microwave, plus storage. Forward the salon seating transforms to a king size bed with an optional divider curtain.

SPACIOUS HEAD: Stay fresh with a spacious enclosed head and shower with port hole for ventilation.

STANDARD FOLD DOWN TERRACE: Get ready to party with an electric drop-down terrace to port, increasing the entertaining space. There is also an optional removable swim ladder and lifelines for the terrace.

SHADE FOR DAYS: Don't let the sun stop you from having fun with an optional remote-controlled SureShade sun-awning and a sunshade for the front cockpit, giving you total protection from the sun. So, what are you waiting for? The Jeanneau Leader 12.5 WA is calling your name, and it's time to answer!
