SPECIFICATIONS

Overview

1984 Morgan 36

It will be love at first sight. This is a fun boat for racing or casual sailing, and there is a lot to be said for a boat that can go anywhere in any weather, with speed. Interior accommodations, created with comforts in mind, the vessel is a truly tough and solid boat.

The bottom is fiberglass with more than an inch thick will that will take far more rough weather than the crew can stand.

Like all classic IOR boats, the boat is at its best upwind in waves. Well-sailed upwind in big waves and heavy wind. Interior is open and simple. It sleeps 6 comfortably, with a full aft and forward cabin. There is plenty of room to move around in the cabin, and it's still small enough that you can brace yourself in rough weather.
