## Overview

---

"POSH" is a magnificent example of beauty, form and function. This boats turns heads wherever she goes. Her lines where born in the classic style of the Chesapeake dead rise and her fit and finish rivals the quality of the finest down easters. Powered by a 260HP Volve diesel engine with a Volvo Duo prop outdrive she is quick, nimble and economical. She has a comfortable helm station and very accommodating seating for five additional passengers. The interior offers a nice V-berth, a galley counter with sink, a spacious head with toilet and lots of ventilation.

Best of all, this is a fun boat to drive. She is quick to plane and will hold on plane nicely at 15 knots. Top speed is 33knots. Cruising at 28 knots she has a very sea kindly motion and digs into hard turns with ease and comfort. Between the stern drive and bow thruster she will have you feeling like a pro in no time.

This boat has been kept in excellent condition with all services performed as needed. She does have bottom paint but has always stored on a lift. The varnish has been wooded and recoated in 2023 and looks great. She has just been repainted with a gorgeous deep red Awlgrip 1-2024.

Come see this beautiful boat. You will not be disappointed.
