## Overview

---

Not Your Average Offshore Cruiser -so much more!We love the layout of this Delphia 40. Not set up for the charter world but for a couple that look forward to cruising around the world in comfort & style. Lots of room for living aboard with large workshop / storage port / stern and a larger kitchen. It is also nicely priced for the year, make & model.Polish built, Andrzej Skrzat designed for serious blue water sailing. The top-loading 75 L fridge and 53L freezer give you ample cold storage for provisioning on long passages. The U-shape saloon table converts to a bed for extra passengers or easy communication with the sleeping crew underway.Energy saving LED interior lighting, 40 liter per hour water maker, solar panels and wind generator make easy to live off the grid. A newcoat of antifouling has been applied, a new flex-o-fold folding propeller has been installed and the engine was serviced and tested. This yacht has no A/C. Newer cushions in the shaded cockpit for sailing comfort. A furling mainsail adds to easy sailing.\*\*\*Extensive Owner's Notes can be found under "OTHER DETAILS".\*\*\*
