SPECIFICATIONS

Overview

The Sun Cat 59 is a very attractive and efficient day-charter cat. It was conceived and built specifically for day charter. This cat will sail in the 10-15kts range very easily and her twin 75 HP Yanmars will push the boat well over 10 kts when the wind is absent. She will get you to destination reliably and on time. She is very fuel efficient and very easy to maintain - just hose down the bridge-deck at the end of the day and you are ready to head back out the next day. Capacity is 50 pax.
