SPECIFICATIONS

Overview

The Leopard 39, built by Robertson and Caine, builds on the success of the award winning Leopard 38. The boat has an abundance of outdoor space, and generous sail plan, is easy to maintain and offered at a great price! This catamaran is a market leader yet highly practical and easy to use. The boat is well thought out with a large hard top cockpit bimini, providing excellent shade and weather protection. An additional raised hardtop over the helm gives a 360 degree view for those at the helm. Solar panels were installed on the hardtop to charge the on-board batteries.

Basic Information

Category: Catamaran

Model Year: 2014

Year Built: 2014
