SPECIFICATIONS

Overview

The Swan 44 MKII S 'Adora', is a genuine cruiser/racer with a focus on speed and maneuverability and excels in both roles. She has been consistently maintained to the highest standards. Her excellent condition can be attributed to her navigation in the brackish waters of the Baltic Sea exclusively in the summers.

Adora is characterized by classic lines, sleek hull, and superb sailing characteristics, striking a balance between comfort and agility.

The interior is well designed to maximize space and comfort, offering a well-designed layout with spacious cabins, a comfortable salon, and a functional galley.

"Adora" has only had one owner and she was built to exceptionally high specifications.
