SPECIFICATIONS

Overview

Please note that this listing represents a model specification for a new build and not an actual hull for sale or location. For more information on this model and build availability, please contact us.

The newest model in the ever-popular E Series, the E81 marries the sleek E Series superstructure profile design with a beamy, high-performance hull. This high-volume model offers a 20' 6" beam, which allows for up to four roomy staterooms and accommodates a variety of engine options, without compromising performance or draft. With the E81, you can customize the interior layout to your liking and select the power and performance to get you to your destination as you wish. Offering the flexibility of being an owner-operated or crewed vessel, the E81 is available in enclosed bridge or open bridge configurations.
