Overview

Horizon RP110

Please note that this listing represents a model specification for a new build and not an actual hull for sale. For more information on this model and build availability, please contact us*

Featuring exterior design by JC Espinosa, the Horizon RP110 superyacht focuses on providing unobstructed views with large, sweeping windows that combine with fluid style lines to create a sleek and modern profile. She exudes sophistication in design and style — her double chine hull design, from naval architect Donald Blount, provides excellent sea keeping, with stability and enhanced hydrodynamics to minimize drag and improve overall performance.

The variety of layouts and amenities available to clients showcases the versatility of the Horizon RP110 superyacht model as well as Horizon's flexibility as a custom luxury yacht builder. With a 25' beam, the Horizon RP110 offers generous living and entertaining spaces on every level for cruising in the utmost comfort and luxury.
