## Overview

**\*Please note that this listing represents a model specification for a new build and not an actual hull for sale or location. For more information on this model and build availability, please contact us\*\***

The Horizon E75 motoryacht is an evolution in design of the extremely popular E73 model. With a stylish exterior that follows the successful lines of the E88 motoryacht, the E75's interior features increased volume and numerous entertaining areas to accommodate a number of guests on board. Entertaining with family and friends becomes a true pleasure with a creative foredeck seating area, exterior bar on the boat deck, and an incredible aft deck for luxurious, shaded relaxation. This is a yacht that defies size perception and provides the amenities and space of a far larger yacht in a profile that will take your breath away.
