## Overview

---

Built in 2007 by Pershing, this 56-foot yacht accommodates comfortably six guests in three ensuite cabins, and one crew member. Twin 1360HP MAN engines allow a cruising speed of 40 knots and a top speed of 54 knots. She's equipped with bow and stern thrusters for easy maneuvering. In 2022, she underwent an extensive refit, which encompassed the introduction of new interior furnishings, a comprehensive engine service and overhaul, as well as meticulous deck maintenance. Thanks to the dedicated efforts of a full-time crew, she is maintained in pristine condition and stands ready for immediate viewings.
