SPECIFICATIONS

Overview

2019 Rivamare 38 | *Stegra Nera*

Riva yachts deliver an unparalleled experience that will take your breath away. These Italian masterpieces feature state-of-the-art technology and combine beauty, heritage, power, and supreme comfort. *Stegra Nera* embodies all of these attributes and delivers an experience akin to driving a Bentley.

With Mahogany decks, interior timbers finished in 12 coats of hand-applied varnish, hand-stitched exterior upholstery and inlaid leather accents with custom forged stainless steel hardware, she is the epitome of luxury and pure Italian artistry.

The yacht features joystick manoeuvrability, the latest Garmin glass cockpit screen, and upgraded chart plotter, VHF and AIS, as well as a gyro stabilizer for at-anchor or low-cruising stability. The electrically actuated bimini ensures optimal comfort in all weather conditions, and there is a full enclosure for the helm and cockpit if the need arises.

The yacht's transom folds down to reveal a teak beach deck with day beds, making it an ideal place to launch water activities and enjoy safe sea access. There is dedicated Seabob storage in the transom and abundance of storage space for leisure toys, so you can enjoy paddle boarding, diving and snorkelling during your cruising adventures.

The generously sized enclosed shower and separate head feature premium finishes and décor, and the interior is fully air conditioned for absolute comfort in all seasons.

Enjoy all of life's luxuries while on the water, with a comprehensively equipped galley and a rapid-chill champagne fridge! Her eye-catching windscreen comprises five double-curved laminated crystal glass sections set in a stainless steel frame, fitted with a rail for the cockpit cover.

The upgraded sound system and hi-low table that converts to a double bed afford additional comfort for overnight accommodation or daytime rests.

The RIVAMARE will cruise comfortably all day at 32 knots with an impressive maximum speed of 40 knots. She is the most beautiful high-performance day boat in the world with a cabin that affords outstanding comfort.

Stegra Nera has received the care of crew normally reserved for 70-foot yachts! She has enjoyed two full-time crew since new, and has been stored under cover since her launch on her custom-made fully covered lifting berth, which is included in the sale.

Presenting like new with only very light use (less than 132 hours), *Stegra Nera* is in perfect operation and awaiting new owners to enjoy all the luxury cruising opportunities she offers.

Visit The Yacht Sales Co website for full inventory and further information, and contact the team to arrange an inspection.
