# SPECIFICATIONS

---

## Overview

---

Blade 6 is a Sunseeker refitted in 2022 and like no other, cutting through the water with her cruising speed of 30 knots and reaching up to a high speed of 33 knots.

Her striking exterior design is the work of Don Shead, featuring a sleek, dark GRP planing hull powered by 2 MTU 2400 HP engines. M/Y Blade 6 accommodates up to 8 guests in 4 en-suite staterooms making her an excellent choice for families and groups of friends to enjoy a spectacular Mediterranean charter. Her best features include her hydraulic swimming platform, stabilizers at anchor and underway, beautiful teak decks throughout, a unique skylight, and large panoramic windows allowing plenty of light to radiate through to the interior open-plan salon and dining area
