SPECIFICATIONS

Overview

Along with the high performance, incredible stability and unique concepts that Sunreef Yachts is known for, owners also consider impeccable interiors as a vital element. This 74 Sunreef provides a unique onboard experience that will fit the needs of passionate sailors and yachting lifestyle lovers.

Days spent aboard are bound to be nothing but fun as she provides spacious living areas, a large wet-deck, convertible mattresses on the fly bridge and a variety of water toys. The 45m² cockpit directly connects to the main deck and its light-welcoming, soothing, fully open saloon equipped with spread leather sofas, leather puffs, infinite storage space, pop-up tv with a surround sound system and bookshelves on window sills.

Panoramic windows offer a dream-like view and keep the saloon bright throughout the day. At portside, the saloon as well features a fully equipped galley with a pantry, modern appliances and a window sill with an indoor gardening stand.

She features two VIP and two guest cabins both spacious, with incredible layouts and style. The VIP cabin layout comprises a timeless combination of accessories playing in unison and bathrooms where modern and minimal meet.

Spaces for guests are like miniature hotel suites floating on water and each is equipped with an elevated king size bed with headboard and reading lights, a pop up TV. Spacious bathrooms in VIP and guest cabins are a strong sign that she was specifically designed for comfort seeking passengers. The interiors have a silver, amethyst, cobalt and navy blue touch.

She has crew cabins that can be accessed from the cockpit and a fitted forepeak at portside, increasing privacy. The starboard hull features a storage room where food, household goods and appliances can be safely kept or utilized. The two guest cabins, located at the front can accommodate up to 3 guests each.
