SPECIFICATIONS

Overview

VICTORY IS a 2019 GALEON 47 FLY that is extremely well equipped and nicely maintained. She features VOLVO D8 Diesel Engines (550 HP each), with only 315 hours. ZF Transmissions and a FISHER PANDA P12 10KW generator round out her power features. She offers 3 state rooms and two heads that will sleep 6 comfortably. The extremely well-designed lower helm area features Raymarine electronics, Volvo engine monitoring system, ships controls and a Side Power Bow Thruster. There is a large electric sliding sunroof and A/C vents to provide comfort, natural sunlight and fresh air. The Sky Bridge offers the feel of fresh air in your face, great visibility and seating for friends and family to join you enroute to your favorite destinations. Another unique feature is the Port Side Beach Mode where the port side aft corner of the boat drops down to make a balcony. Finally, there is a teak cockpit deck with steps down to a large submergible swim platform with swim ladder that is equipped to carry a small tender. An optional HIGHFIELD tender and YAMAHA 20 HP 4 stroke motor are available separate from the sale of the Yacht. The owner is moving on and READY TO SELL.
