## Overview

---

Among the better-looking boats in her class, the Cruisers 330 Express combines modern sport boat styling with luxury-class accommodations. Indeed, this is a good example of why Cruisers Yachts continues to be a major player in the express cruiser market. The 330/350 doesn't just look good; she utilizes space as well (maybe better) than any builder in the business. Her open-plan interior is flooded with natural light, making the area feel even more spacious than it already is. With its hardwood cherry trim, faux granite counters, and six vertical portholes the accommodations are impressive for a boat this size. The U-shaped lounge aft in the salon makes a convenient place for eating or lounging and includes a spacious bookshelf and storage. Note the cushioned master berth headboard forward, and space saving rectangular dinette.
