SPECIFICATIONS

Overview

This 1984 O'Day 23 is in terrific condition and has been well sailed and cared for by her current owners of ten years. She seats 6+ in her cockpit and sleeps 4 below on cushioned berths with a galley and head. Designed by Ray Hunt & Associates, she is one of 1000 built between 1978-1984--a very popular and economical sloop with keel and centerboard. Her current owners have sailed her summers on the coast of Maine and have enjoyed many sails with family and friends. If you are looking to get out on the water under sail for a very reasonable price, this very clean sloop, outboard motor, and trailer package may be just what you are looking for!
