SPECIFICATIONS

Overview

Prestige 680 LOTOS was built and delivered to original Owner in 2017. The yacht is in mint condition and well-specked, including Seakeeper 9. There is no charter history, LOTOS was only in family use, cruising in the waters of Turkey, Cyprus and Italy under the control of an experienced crew.

The 21.5-meter vessel designed by studios Garroni Design and J&J Design got all the best from the iconic elder sister Prestige 750. The model was even awarded the title "Motor Boat of the Year". The interiors feature light colors with wood inserts, creating an cosy and warm atmosphere. Huge windows provide a panoramic view and an abundance of natural light on board. The flybridge boasts about spacious sofas, sun loungers, a bar and helm station. The yacht is powered by Volvo Penta IPS system creating a smooth and efficient ride at all the times.

LOTOS is currently lying in Italy and the yacht is available for viewings by prior agreement.
