SPECIFICATIONS

Overview

Cattitude is a highly recognized, very comfortable and highly desired 2005 Endeavour 44 Trawlercat. She is Turnkey and ready to cruise with many upgrades including Dual Garmin Chart Plotters.

Endeavour TrawlerCats are in the top 10 most popular boats doing the Great Loop. There are several 44 Endeavour TrawlerCats doing the loop right now. With a 3/2 layout, large Salon and Cockpit there is plenty of room for family, Friends and guests.

Plenty of room, Easy to maneuver, Great for Entertaining, Lots of Storage and outside walk around area for handling lines. The spacious enclosed helm gives you a 360 degree view. She handles well in the Locks on the Loop. She can also Get up and Go when needed or desired.

The Master Stateroom, which is on the same level as the Salon and is the total beam of the boat, has a complete walk around Queen bed and for a boat this size, has a large Head/Shower area and large walk in dressing room with drawers, closets and storage. The Starboard Guest quarters has a large bed and head. There is also a large guest room on the Port Side.

The Galley is wide with lots of light and view of the Salon so you don't feel separated. It also has plenty of room for provisions. The additional Freezer and Ice Maker are great for Cruising. She also has a Washer/Dryer combo.

The Yanmar Engines (240hp 4LHA-STP) are very economical but can power up quickly to get you where you want to go. They are easily accessible under the Guest Beds with a door access. No laying on the floor to check the oil. The props and rudder are Tunneled, helping to protect them in case of an accidental grounding or from lobster/crab pots. They also have spare props aboard, just in case. Her shallow draft of just over 3 feet allows her to go where many other boats cannot and eases the stress when traveling many areas.

To make exploring the Florida Keys, Bahamas, Lakes and Rivers even more fun, she comes with a RIB dinghy with a 20hp Yamaha outboard.

She also comes with a 5kw Northern Lights Generator

Cattitude is in impressive condition and turn key ready to cruise. Well maintained, frequently upgraded. She received a clean bill of health after a 2022 survey and oil sample test. Her bottom paint is about 9 months old along with new cutless bearings and shaft seals.

She is ready for new owners and new adventures.
