SPECIFICATIONS

Overview

DEBBIE II is a gorgeous 2018 Chris-Craft Launch 30 with the rare blue over blue color scheme that will turn heads in every harbor. This model is well laid out for entertaining a crowd with plenty of luxurious seating, a roomy head nicely tucked away out of sight, and an easily convertible bimini top among her many other amenities. This particular vessel is lightly used, well maintained, and stored indoors so you will find her in extremely good shape. Cosmetically her paint, canvas, stainless, and cushions all shine. While mechanically her systems are running well, engines serviced by Chris Craft last year, and all batteries replaced in 2023. She is easily seen in West Palm Beach.
