SPECIFICATIONS

Overview

Rare Skiff craft fully loaded with many upgrades in excellent condition. Skiff Craft built this one with mahogany and teak decks and is one of a kind! The original owner who commissioned her ordered the boat to be built this way and is truly unique. It was shipped on the custom trailer to NJ and then sold to the 2nd owner who has kept her up in excellent condition caring for the varnish annually. This classic is steeped in tradition and built with integrity. The large cockpit creates a feeling of spaciousness and luxury, unlike anything else. Engines run great and worth a call to check her out.
