## Overview

---

RADKAT is now offered for sale and is a highly specified and brand-new model from the Italian yard's popular SX76 series, with less than 150 hours on her engines. Delivered in the Summer of 2023 and in her original ownership, RADKAT comes with a low draft, ideal for island-hopping and coastal cruising, and in better-than-new condition, with snagging issues already addressed and still under full shipyard warranty. RADKAT's clean and modern design offers generous and flexible deck spaces throughout, including a huge swim platform with hydraulic lifting system allowing guests to have easy access to the water and make the most of their chosen cruising destination. RADKAT can accommodate eight guests across four light and airy cabins, including a full-beam Master suite, a VIP cabin and two twin cabins – one of which can convert into a double cabin for additional flexibility. RADKAT comes with a list of options usually only seen on much larger yachts, such as zero-speed stabilisers, Dynamic Positioning System, IPS joystick control, a water maker and softener, FLIR night-vision camera, and many more. Located in the South of France, RADKAT is a genuine turnkey yacht with EU VAT paid and is ready for inspection. She will also be at this year's Cannes Yacht Show. Key features:

- Under full shipyard warranty
- One of the highest spec'd SX76 with circa €1.3m of options
- 4 cabins for 8 guests including a full beam owners suite
- Zero Speed stabilisers
- Volvo Penta powered with joystick control & DPS
- Only ever been privately used
- EU VAT paid
