## Overview

---

The Makai range includes the performance-oriented Makai 37 and the cruising focused Makai 45. Built by skilled craftspeople in Poland, Makai Yachts are technologically advanced and fuel efficient. They offer natural form stability, easy maneuverability, shallow draft, stylish design, and catamaran comfort. They were conceived by the founders of Makai Yachts in partnership with the Italian design powerhouse Emanuele Rossi of ERYD Design to redefine the power catamaran for the modern boater. The stylish Makai 37 is a sport power catamaran with cruising boat amenities. It is well-suited for weeklong trips with two spacious cabins, two heads, an exterior galley and an enormous deck space fit to entertain 12. The yacht can sneak into the shallows with 1' 9" draft and the standard twin 320 HP Yanmar diesel engines you will get you to your destination quickly. It offers catamaran comfort and an unprecedented driving experience.
