SPECIFICATIONS

Overview

We would like to inform you that ANAHITA II is available for sale.

ANAHITA II is an 18.30 metre – planing – Beneteau Monte Carlo 6 - built in 2014. With only 629 hours on her Cummins (Zeus pods) engines.

She is validating all the strong points of the Monte Carlo line, in particular the solutions and attention to detail, which set high quality apart from the others.

Her flybridge is home to a large terrace and spacious sunbathing platforms. She boats a roomy saloon with up to 12 people capacity and comfortable seating to enjoy time on the water as well total protection thanks to the carbon T-top. The main, entirely open deck allows fluent communication between the kitchen, located at the heart of the living space, the vast saloon and the central cockpit.

The yacht can accommodate 6 guests in 3 staterooms all located on the lower deck: A full beam master cabin, a VIP cabin located forward, and a twin cabin. The cabins are all en-suite.

ANAHITA II reaches a top speed of 26 knots thanks to her two Cummins engines of 600hp. She peacefully cruises at 18 knots.

The generous swim platform allows space for a decent size tender.

The yacht is lying in Bodrum, Turkey and is available for inspection.

Please get in touch if you would like further information.
