Overview

ENCORE is a rarely available Lagoon 410 Owners Version. ENCORE is a 3-stateroom sailing catamaran conceived to meet the highest standards. The Lagoon 410 is innovative and traditional at the same time. Naval architects Marc Van Peteghen and Vincent Lauriot Prévost optimized the 410's performance while providing three large staterooms and two large independent heads, ensuring everyone's privacy. The vast galley and living area, which opens directly to the cockpit through a wide, double sliding door, maintains the characteristic Lagoon conviviality with a 360-degree vista. The cockpit, well protected by the hardtop roof, is the focal point for all of your exterior activities. The portside molded in steps provide direct access to the sea, while the starboard-side table can seat up to ten people. The placement of the raised helm station on the port side provides a wider view, and by freeing up the rear cockpit, provides more space for family and guests. In the front, the transverse net provides a superb, secure location for communing with the ocean and the dolphins.
