SPECIFICATIONS

Overview

Picture you and your family sailing off to the out islands on this exquisite example of the Richard Lazzara designed Gulfstar 39 Sailmaster is from the golden era of Gulfstar. With her solid layup, beautiful teak craftsmanship, and excellent performance, she is a joy to sail. She's an electric diesel hybrid with an Electric Yacht Quiet Torque 20.0 propulsion system for instant power when you need it at the helm. Use the batteries for quiet propulsion or for longer motoring, and the Phasor 7kw generator will power you to wherever you want to go. This Gulfstar Sailmaster is absolutely gorgeous, impeccably clean and has been well maintained her entire life. Whoever purchases her will be fortunate indeed. She comes with a transferable slip with a live-aboard option at beautiful Burnt Store Marina; an upscale gated community in Punta Gorda, FL. Please contact me to set up a private showing.
