## Overview

---

Price reduction! Vessel was under contract until 10/5/23 but buyer failed to complete the sale, at no fault of SIRIUS at survey. The vessel flew through the survey with minimal recommendations but unfortunately the buyer had to change plans due to a family scenario.

SIRIUS, like all Passport yachts is a semi-custom build, suited to offshore runs and inshore island cruising alike.

A Bob Perry design, the 470 ensures soft, easy motion offshore and the moderate displacement offers a smooth ride without compromising on performance.

Hand made cabinetry, granite counter-tops, double walk through two state-room layout, and the lineage of one of the finest yacht builders in the world.

This Passport 470 is a perfect example of craftsmanship and design, pared with offshore customization.

Seller has maintained the vessel to near perfection and all records are available.

### HIGHLIGHTS OF SIRIUS
