SPECIFICATIONS

Overview

A true center console, the 320 makes shorthanded fishing a snap. Access to the cockpit is safe and quick while visibility is excellent on all points. An optional windshield can even make the season last a bit longer. There is plenty of space for all electronic needs, and storage for tools, and tackle are plentiful on the bridge deck. The 320 Open comes complete with a custom fiberglass hardtop, an easy-access fish tower with extra-wide seating, and full instrumentation.

The interior of the 320 Open features rich fabrics and fine hard woods accented by durable, yet beautiful Corian and plush carpeting. The forward V-berth doubles as a dinette and the starboard settee flips up and slides out to offer a double berth below with a single above. Galley accommodations include a two-burner range, dual-voltage refrigerator / freezer, and microwave. The full-fiberglass head with shower is large and easy to maintain with a Corian counter and plenty of storage.
