SPECIFICATIONS

Overview

Happy Ours is a 2003, Tiara, 3100 Open, currently owned by a Licensed 100-ton Master Captain, who has owned numerous boats and even a marina at one point in his life. This is their Florida cruising boat and they live and cruise on their 48-footer in Michigan in the summertime. He clearly knows how to maintain and operate his boats. This boat is a family cruiser with incredible comfort and space. Happy Ours features the Cummins diesel option as well as the hardtop option with overhead storage and rod holders. The generator provides plenty of power if you choose to spend extended time at anchor and will power the air-conditioning and all of the systems to keep you comfortable. Electronics have been updated. This boat was rack stored during the recent hurricane and was not damaged or impacted by the storm. Complete new canvas enclosure installed in October of 2023.
