SPECIFICATIONS

Overview

Crackerjack is a 1993 42' Kelsall sail cat. She offers twin Volvo-Penta 28 HP auxiliaries, Victron Energy 3,000-watt inverter, Webasto reverse cycle air conditioning/heating system, Rainman 37 gph watermaker, roller furler Jib, roller furler Staysail and a 4 stateroom 2 head layout. Crackerjack just returned from an extensive Caribbean cruise and is ready for her new owners to head back out and enjoy her like her present owners have. With her 58' mast, she is ICW friendly too. Crackerjack is setup very nicely for a large family, like the sellers, especially with the amount of refrigeration and her stainless-steel rails for netting. Located in Key West, Florida

Basic Information

Category: Cruising Sailboat

Model Year: 1993

Year Built: 1993

Country: United States

Dimensions

LOA: 42' (12.8mm)
