SPECIFICATIONS

Overview

The owner is ready to sell. Call to discuss pricing. This beautiful 2022 Bavaria SR41 Coupe is available immediately! She is well-equipped and in excellent condition. Her owners have decided to move up to a larger yacht. They took delivery of their SR41 in June of 2022 and immediately departed for Northern Michigan for the summer. At the end of the 2022 season, she was trucked to Annapolis, MD, and displayed in the Annapolis Power Boat Show. Boss Baby was detailed and her reliable twin 380 HP Volvo Penta D6 engines were serviced (200 hours) by a certified Volvo technician. Following the show she was transported to Jacksonville, FL. This 2022 Bavaria SR41 Coupe is nicely equipped with numerous upgrades such as twin 380 HP Volvo Penta DS diesel engines with joystick control, an 8kw generator, two AC units, bow thruster, autopilot, cockpit galley/wet bar, retractable GRP roof, upgraded electronics and attractive finishes. The Bavaria SR41 kicks off a new line of motorboats from BAVARIA YACHTS. It combines the best of the sporty BAVARIA S-line and the BAVARIA R-line. A comfortable cockpit, a large sunbed that can be transformed in no time into a lounge area with a table right on the waterfront and a large bathing platform. It makes the BAVARIA SR41 the ideal motor yacht for a perfect day on the water with family and friends.
