Overview

Momentum is a clean, one-owner 2008 Tiara 3600 Open with twin 380-hp Cummins QSB5.9 diesel engines, reliable shaft drives, and a bow thruster. The engines were last serviced in August 2023, and the bottom was prepped and painted in March 2023. There are less than 700 hours on the engines. The Tiara 3600 Open is a high-quality express cruiser equally suited for fishing, cruising, and entertaining. Its large cockpit and aft deck with 70 sq. ft. of obstruction-free space are accommodating, and the interior is comfortable. The 3600 Open features all the amenities of Tiara's versatile Open series. "Fish or Cruise" is the cornerstone of this boat, with professional-grade features designed to do both activities equally well.
