SPECIFICATIONS

Overview

The Sunseeker 95 Yacht's stunning lines and unique layout exemplifies Sunseeker's cutting-edge design and innovative build processes, combining a superyacht feel with all the practical advantages of a motor yacht in this size category.

A standout feature is its unique main deck layout with a special master cabin onfiguration for even greater flexibility and space from a class above. With the luxurious master stateroom berth on the main deck, a forward staircase leads to a mid-level dressing area and sumptuous en-suite. The raised pilot house offers greater flexibility contributing to the more expansive main deck layout which is truly remarkable for this size of motor yacht. Above deck, the spacious flybridge is well equipped with a second helm, bar, optional hot tub and plenty of seating for guests to be entertained in style. The 95 Yacht is based on the classic deep V hull with luxury performance at its heart.
