SPECIFICATIONS

Overview

Somnium – the first pure custom superyacht for an experienced Northern European owner – was designed by Studio De Voogt with a beautiful interior design from FM Architettura. Her aluminium hull looks the part and was also chosen to enhance efficiency and ensure the shallow drafts required for exploring at will. Once anchored at their destination, the family can access all the benefits of an enclosed tender garage and dedicated dive equipment store.

Those who choose to stay on board are equally spoilt for choice on *Somnium*'s vast outside decks, which include an exclusive lounge area on the foredeck, a pool with adjustable floor and counterflow on the aft deck and an inviting Jacuzzi island on the sun deck. Interior highlights to be revealed in due course include a gymnasium with a fold-down platform, a full-beam owners stateroom with a balcony and four roomy guest suites on the lower deck.
