SPECIFICATIONS

Overview

Sleek and speedy, 20m (65.6ft) IT'S MAGIC, based in Corfu, Greece. A beautiful example of a Monte Carlo MCY 65 model, she was delivered to her owners in 2017 and has been impeccably maintained since then. Hosting six overnight guests and two crew, she is a small mega yacht ideal for family cruising.

In excellent condition, IT'S MAGIC is ready to welcome her next guests on board. Her highlights include a chic neutral interior design with walnut accents throughout, Bose surround sound, and a home theatre system in the main salon, high-spec AV in each cabin – including a 32" LED in the owner's cabin and zero speed stabilizers for guests' comfort.

Guests are accommodated in three spacious cabins, arranged as a master stateroom, a VIP and a twin cabin, each with en suite bathrooms. An excellent option for groups, IT'S MAGIC offers excellent communal spaces including a bright main salon with built in seating, a kitchenette, and a convertible formal dining table.

For al fresco dining options, the aft deck benefits from a large table and built in seating. Another highlight is the Portuguese Bridge that provides guests with uninterrupted views from the foredeck lounging area, a space complete with large sun pads. Upstairs, the covered flybridge has a soft sliding carbon fiber top for ultimate guest comfort and offers additional seating and sunbathing options.

A popular charter vessel, the water toys on board are appealing to all age groups, with a Williams 385s 120hp jet tender, water skis, an inflatable donut, a paddleboard, and a kayak. IT'S MAGIC comfortably cruises between 18-20 knots, and has a fuel capacity of 3,500 liters and a range of approximately 250 nautical miles. Powered by twin MAN V8 1000hp engines, her maximum speed is 27 knots. She also benefits from an upgraded 20KWA generator, which is over double the power found on standard models.
