SPECIFICATIONS

Overview

The Bristol 38.8 is a high quality, solidly built boat that has withstood the test of time. Designed by Ted Hood and built by Bristol Yachts in Bristol Rhode Island, Meridian is an outstanding example of a centerboard cruising boat. Hood knew more about designing centerboard cruising boats than anyone and he designed a winner in the 38.8, considering it one of the two most successful designs to ever come out of his shop.

A truly beautiful boat, Meridian is turn-key and ready to sail today. Well maintained, she is clean, neat and shows well.

With her centerboard up she draws just 4 feet 6 inches, great for the shoal waters of the Chesapeake Bay. On the other hand, if your sights are set across the ocean, the 38.8 is capable of taking you anywhere in the world. Designed with blue water cruising in mind, the 38.8 is a stable and well-mannered boat that has completed many ocean crossings.

Seeing is believing, don't miss the virtual tour, video tour and slideshow links below, and call for a showing today!

Basic Information

Category: Cruising Sailboat

Model Year: 1985

Year Built: 1985

Country: United States
