SPECIFICATIONS

Overview

Fixed keel and shallow draft what more could you ask for when sailing in Florida or the Bahamas. She is outfitted for cruising with electronics, instrumentation auto-helm. She was designed by Hake Yachts in Stuart, Florida. This boat is stiff, fast and strong. She can make comfortable deep-water passages as well as sails worry free in less than four feet of water--- perfect for Florida, the Bahamas and the Caribbean as well as the ICW. The boat was built light and strong with careful engineering and modern materials. Low wetted surface and low center of gravity are designed in. Her medium aspect rigging provides generous horsepower with a fully battened, full roach main.
