## Overview

---

### **2018 Chaparral 307 SSX Bowrider *Twin Volvo Penta 300HP V8's - Joystick Lift Kept - NO Bottom Paint***

Chaparral got it right when they designed 307 SSX, an offshore-capable bowrider whose sleek styling and versatile layout are a match for the best boats in her class.

The list of standard equipment for the 307SSX is extensive and impressive. Many of the amenities other builders consider optional - *VacuFlush head, Kevlar keel, pull-up cleats, Lenco trim tabs, etc.* were included in the base price.

A flared bow provides seating for five adults in the bow area (note the aft-facing bow seat). The helm and companion seats feature flip-up bolsters and armrests. An enclosed head/change room with sink and opening port is concealed in the port console.

This pre-owned Chaparral 307SSX has the wet bar option, which includes a sink, pull-out spigot, trash bin, and removable cooler.

The aft “rumble” seat converts to a sun lounge, and a power-activated ram lifts the aft seat/sun pad to reveal the engine room.

Power by Volvo Penta - twin 300HP V8 engines provide a cruising speed near 30MPH with a top end 40MPH plus!

This pre-owned Chaparral shows well and is ready to go. The boat is shown by appointment. Lauderdale store.
