SPECIFICATIONS

Overview

The Custom Line 112 Next embodies a majestic sense of purpose - for those seeking the additional comfort and the luxury of a 34-metre planing yacht offering a raised pilothouse, hard top and a 5-cabin design. Quality, practicality, and technical know-how are at the core of the design ethos.

NATI TRE's dark blue hull and raised bow profile suggest her capability at sea, whilst the superstructure and hard top are sophisticated, sleek, and practical. With MTU commercial 4000 series engines and 4 x gyro stabilizers, you will feel confident to explore new cruising destinations.

NATI TRE is a superb one-owner example, built and maintained to RINA class.

The engines are maintained in accordance with the MTU servicing schedule.

Viewing is highly recommended.
