SPECIFICATIONS

Overview

As a part of our on-going product development program, we are delighted to announce the introduction of our new Golden Line G580.

This new model sits neatly between two of our current best sellers – the G500 and G650. Whilst retaining the overall styling concept of the series the G580 has its own distinctive features:

- Updated hull and tube geometry based on a synthesis of modern design and ergonomics
- Dynamic shape contouring with sweeping lines
- Plenty of storage capacity
- Optimal weight distribution with steering console and double pilot/passenger seats located centrally within the cockpit.
