SPECIFICATIONS

Overview

The Golden Line G650 — another breathtaking creation from GRAND! This model represents a new and unique concept with several great ideas and features, which makes it a notable event in the boating world.

Let's have a look at some of them: A U-form rear sofa-style seat; a common feature on larger RIBs, but this is the first time it has been so neatly accommodated in a 6.5m model,

The bow tube has been cleverly curved introducing a nice touch of elegance to the boat's lines,

A new concept steering console incorporating an impressive and spacious dashboard, An elegant helming console with folding seats and handrails,

A stylish and innovative waterski towing arch, combining the features of the navigation arch with wakeboard or waterski towing capability.

And finally, we believe our new Golden Line G650 is one the most beautiful boats our factory has created and we hope it will be much appreciated by our GRAND Customers.
