SPECIFICATIONS

Overview

NICE hit the waters in 2009 as the third Vallicelli 80 Sloop model crafted in Italy benefitting from the building skills of CN Yacht 2000 boatyard, which is the current ICE Yachts. The project paid a particular focus on comfort, well-being and outstanding performance. A raised saloon perfect for fast and comfortable voyages, NICE features a double cockpit on the same deck level and a stern garage housing a wealth of water toys and diving equipment. Spacious outdoor spaces include an aft sundeck and a grill within the cockpit. NICE's interior offers three guest cabins with en-suite bathrooms, organized in the fore area, and a sauna for wellness and relaxation.

The navigation and crew quarters are located aft in two additional cabins. There's also a sauna for wellness and relaxation. After having been through wonderful adventures, a thorough refit in 2021 made NICE ready to set sail again, heading safely to any destination worldwide.

Basic Information
