SPECIFICATIONS

Overview

Starkel 79' WHITE DOLPHIN, a 23,95 m luxury sailing yacht, is a beautiful fusion of classic design and advanced technology.

The yacht was built to the highest standards to ensure maximum comfort, safety, and resale value. Despite its classic look, the engineering behind the water lines is impressive. Rina Malta Cross A 100 1.1 class certified White Dolphin yacht was built entirely at an esteemed Italian shipyard using sandwich lamination of GPR and Kevlar in an epoxy vinyl ester resin base, with a structural layout featuring carbon capping for added strength and durability. This results in a lightweight yet sturdy vessel that can achieve impressive sailing speeds. In 2020/2021 the yacht received a top-notch refurbishment. This included high-quality reconstructing of the teak deck and washboard, repainting with Awlgrip, and replacing and renewing all items and deck equipment, sprayhood, and portholes.
