SPECIFICATIONS

Overview

The BAVARIA C42 features a modern, innovative hull shape with chines and a V-shaped bow developed by BAVARIA YACHTS guarantee both the best sailing performance and an unusually large amount of space below deck. BAVARIA CHINES and BAVARIA V-shaped bow: These striking hull design characteristics not only give the BAVARIA C42 more space below deck, they also provide unusual good sailing performance. The BAVARIA CHINES ensure more stability, a longer waterline and therefore better performance and a more direct feeling when steering. But the prominent angle at the stern of the BAVARIA C42 has another advantage. It yields more space for the stern cabin, providing more comfort. Contact S&J Yachts to learn more about the award winning Bavaria C42.
