## Overview

---

If you are in the market for an Outboard Powered Sports Cruiser with 2 staterooms and a separate head and shower compartment and one loaded with options then this one is a must see. Gone are the days of not going boating due to hot or cold weather - fully climate controlled salon and helm allow you to enjoy boating regardless of the conditions.

Outboard power means several things that make this vessel particularly attractive: more interior living space in a shorter length, easier maintenance and servicing of the engines, and lower draft depth offering increased exploring options including shallower anchoring bays or beaching not to mention the added storage space below deck where the inboard engines would be located.

This one is lift kept on a fresh water lake and shows like a new boat! Fresh Bottom Paint Sept 2023 and engine service up to date. Call today and be on the water this weekend.
