SPECIFICATIONS

Overview

2019 BAYLINER VR4 OB

A NIMBLE SIZE THAT DELIVERS SPORTY PERFORMANCE AND SPACIOUS COMFORT

The VR Series of highly evolved bowriders, the VR4 is easy to tow, launch and store—and really fun to use. The smallest VR Series model delivers plenty of interior space thanks to our BeamForward™ design, which carries the full beam further forward for more comfort and capacity than traditional pointed bows. Our AftAdvantage™ design increases the rear seating area by shifting it to the aft-most point of the running surface, allowing the swim platform to extend beyond that. That means more room for comforts like movable backrests for versatile seating configurations.

Basic Information
