SPECIFICATIONS

Overview

This Cerri 86 Flying Sport is the perfect blend of sporty performance and character with total comfort and opulent luxury - in a way that only Cerri can achieve. The Cerri 86 Flying Sport is indeed a comfortable, fast open yacht with a fly bridge allowing her guests to enjoy the pleasure of cruising to the fullest - inside and out. Elegance, style, functionality and onboard livability characterize this yacht, which goes beyond the concept of classical yachts thanks to simple and yet innovative solutions. With the Cerri 86 Flying Sport the traditional day area has now been replaced by two separate salons on two different levels, offering a charming, perspective view from the aft cockpit. A real trademark of this innovative yard.

On the upper level, behind the helm station, stand two square tables that, if needed, can be converted into one comfortable table seating 12 people.

The opening hard on the Cerri 86 Flying Sport floods the interior with light and a feeling of great openness with a pleasant atmosphere in the lower salon, that can be reached thanks to a central stairway and features a comfortable sofa and a practical dining/office area. Continuing towards the bow from the salon on the lower deck, access can be gained to the 'night area', which includes two double cabins with Pullman beds, and the full-beam master cabin. From the central salon, aft, on the port side of the yacht, a fourth ensuite cabin can also be accessed. To starboard is the galley, fully equipped with all the domestic appliances.
